The Police Report was given by I. Smith, Chief of Police . Twenty-seven complaints were received in the month of December. One arrest was made. Two hundred eighty-five property checks were completed.

L. LeClaire, Village Manager, gave the Manager Report. MRWA completed their water/sewer rate study. They suggested the sewer rates be increased by 2.7% and the water rates be increased by 12.2%. The main reason for the increase in water rates is the cost of future repairs and maintenance in the asset management plan. However, the increase does not have to be implemented immediately.

The DPW Report was given by L. LeClaire, Village Manager. Plowing was done. EGLE reporting and inspection was done for the water plant.
